Spring Clean Up a Success

The 2nd annual neighborhood spring clean was held the first weekend in May. We had two dumpster locations this year and both were filled to the brim.

Covenant Items

Summertime is a time for recreation and fun, however, the covenants are still in effect. Remember no trailers, campers, or other temporary vehicles can occupy a space for more than 20 days in a calendar year. Recently several notices have gone out and we are continually working to enforce the Torrey Pines Covenants. Please help keep our neighborhood the best it can be and follow the covenants.

A copy of the covenants can be found on our website www.torreypinesomaha.com

Trash Service

The homeowners association board members are currently checking into a single trash pick up service. We are getting quotes to do the entire neighborhood and obviously want something that will be beneficial to all. We'll keep you posted.
